

ACCREDITO IS A CIGNA SPECIALTY PHARMACY

Accredo, which is now part of Cigna, is in the pharmacy network for many of your patients with Cigna health benefits. By using an in-network pharmacy, your patients with Cigna coverage will be able to take full advantage of their specialty drug coverage options.*

Your patients with refills at Cigna Specialty Pharmacy will be informed if their prescription is transitioning to Accredo. You will receive a letter for each of your patients who has a prescription refill transferred.

What Accredo offers you and your patients

Through Accredo, you and your patients have access to a team of pharmacists and nurses with extensive training and experience. You'll be able to obtain specialty products, including many with limited or exclusive distribution, and your eligible patients will be able to obtain financial assistance coordination.**
