

Medicare Prior Authorization

List effective 1/1/2021

Allwell from Home State Health requires prior authorization as a condition of payment for many services. This Notice contains information regarding such prior authorization requirements and is applicable to all Medicare products offered by Allwell from Home State Health.

Allwell from Home State Health is committed to delivering cost effective quality care to our members. This effort requires us to ensure that our members receive only treatment that is medically necessary according to current standards of practice. Prior authorization is a process initiated by the ordering physician in which we verify the medical necessity of a treatment in advance using independent objective medical criteria.

It is the ordering/prescribing provider’s responsibility to determine which specific codes require prior authorization.

Effective January 1st, 2021, Prior Authorization will be required for the following services:

Please verify eligibility and benefits prior to rendering services for all members. Payment, regardless of authorization, is contingent on the member’s eligibility at the time service is rendered. **NON-PAR PROVIDERS & FACILITIES REQUIRE AUTHORIZATION FOR ALL HMO SERVICES EXCEPT WHERE INDICATED.**

For complete CPT/HCPCS code listing, please see Online Prior Authorization Tool on Health Plan website at <https://www.homestatehealth.com/providers/pre-auth-needed/medicare-pre-auth.html>
