

NEW NETWORK STATUS FEATURE ON THE CIGNA FOR HEALTH CARE PROFESSIONALS WEBSITE

For Health Care Providers

April 2023

What's happening?

Effective April 27, 2023, the "Am I In Network" tool on the Cigna for Health Care Professionals website (CignaforHCP.com) will be moved to the top of the Patient Plan and Detail screen, and will appear as "Network Status." Network Status will be available for registered users with Patient Search entitlement after a successful search for a patient. This search feature is only available for patients with Cigna Healthcare medical coverage.

Frequently asked questions

1. How can I see if I am in network for my patient's plan?

You will first need to log in to CignaforHCP.com. The Network Status tool appears on the Patient Plan and Detail screen. Select a patient using the Patient Search tool to view your Network Status.

2. How is network status determined?

Network status for a patient is determined by the selected Taxpayer Identification Number (TIN) and Provider/Group Name.

3. How can I view my Contracted Networks and Specialties?

The link above the Network Status tool will link directly to the Request Contracted Networks and Contracted Specialties screen. You can also go to Working with Cigna (Contracted Networks and Specialties), or Working with Cigna (Information Requests > Contracted Networks and Specialties).

4. How can I become credentialed to be in network for a specific plan?

For information on the credentialing and recredentialing process, visit CignaforHCP.com (Resources > Medical Resources > Doing Business with Cigna > [Credentialing and Recredentialing](#)).

Select TIN and Provider/Group

Once logged in and select your patient, you can verify your Network Status, by selecting the appropriate Eligibility as of date, TIN, Provider/Group name, and Provider (as applicable) from the drop downs.

The screenshot shows the patient portal interface for Allison Adams. At the top, there is a breadcrumb trail: "Patient Search > Results > 103690685". Below this, the patient's name "Allison Adams" is displayed with a "Patient ID Card" icon. A navigation bar includes "Cigna Medical", "Behavioral", "View Claims", and "Precertifications". Under "Coverage Details", "Estimate Costs" is selected, and "USEFUL LINKS" are visible. The "Network Status" section contains the instruction: "Select the fields to know the network status and coverage and Benefits associated to that. To see contracted networks and specialties information, click here". Below this are four dropdown menus: "Eligibility as of date" (set to 10/11/2022), "TIN", "Provider/Group" (with "Group Name" selected), and "Provider" (with "Provider Name" selected).

Results

- A green check indicates you are in network
- An alert and message will appear if you are not in network
- Click on the Contracted Networks and Specialties information link to view your status.

This screenshot shows the same patient portal interface as above, but with a green success message displayed below the form: "You are In-Network for this patient." The rest of the page, including the navigation and form fields, remains the same.

View Contracted Networks and Specialties

Select the TIN and Provider/Group name to view a list of Contracted Networks and Specialties.

The screenshot shows the "Request Contracted Networks and Specialties" page. At the top is the Cigna logo and a navigation menu with "Dashboard", "Patients", "Claims", "Reports", "Working With Cigna", and "Resources". A search bar and "Logout" link are also present. A yellow alert banner says "Test test". The main heading is "Request Contracted Networks and Specialties" with the instruction: "Request your contracted networks and specialties. Enter required information below." Below this are two dropdown menus for "Tax Identification Number (TIN)" and "Provider/Group", both set to "Select", and a "Submit" button.
