## CLINICAL AND PAYMENT POLICY UPDATES MARCH 2024

Dear Provider,

We continually review and update our payment and clinical policies to ensure that they are designed to comply with industry standards while delivering the best patient experience to our members. We write to inform you of new clinical and payment policies. Policy documents will be available on line the week of March 18, 2024. These updates will be effective for Marketplace and Medicare plans effective June 15, 2024.

Policy Number	Policy Name	Policy Description
CG.PP.551	Genetic and Molecular Testing Services	This policy expands health plan requirements for billing of molecular and genetic testing to advance the reliability of laboratory quality information and reduce variability in billing.
CG.CC.PP.01	Concert Laboratory Payment Policy	This policy outlines how provides of laboratory services must bill according to the Centers for Medicare & Medicaid Services (CMS), National Correct Coding Initiative (NCCI), and the American Medical Association (AMA) standards and requirements.
CG.CP.MP.01 CG.PP.MP.02 CG.PP.MP.03 CG.PP.MP.04 CG.PP.MP.05 CG.PP.MP.06 CG.PP.MP.07	- Respiratory Testing - Multisystem Testing - Dermatological Testing - Gastroenterologic Testing - Primary Care Preventive Testing - Vector Borne and Tropical Disease Testing - Genitourinary Testing	These policies outline medically necessary requirements for specific tests related to diagnosis and treatment of associated Infectious Disease related conditions.

For detailed information about these policies, please refer to our website at [www.homestatehealth.com](http://www.homestatehealth.com). And for questions about this or any of our payment policies, please reach

out to our line of business-specific Provider Services team at the phone numbers listed below.
